home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

Tom Swift In Captivity

Victor Appleton

Tom Swift In Captivity

Tom Swift is approached by Mr. Preston, the owner of a circus, and begins to tell the story of Jake Poddington, Mr. Preston’s most skilled hunter. As it turns out, Jake went missing just after sending word to Preston that Jake was on the trail of a tribe of giants, somewhere in South Africa. That was the last Preston has heard of Jake Poddington. Preston would like Tom to use one of his airships to search for Poddington, and if possible, bring back a giant for the circus.

Listeners are forewarned that some elements and characters included in Tom Swift books portray certain ethnic groups in a very dated manner that modern readers, and listeners, may find offensive. Despite the racially stereotyped behavior and pronunciation in the books, the Reader believes it makes sense to read what’s written in order to be faithful to the author’s intent. (Introduction by Wikipedia and Tom Weiss)
